

Cape Cod Safety Seminar

Attend this informative briefing and improve your communication techniques. Obtain a better understanding of Temporary Flight Restrictions (TFRs) and the potential consequences of poor preflight planning. Featured speaker for this exciting presentation is FAASTeam Lead Representative and retired Boston TRACON Controller Bob Adelizzi. He will address pilot/controller communication responsibilities, Class B airspace operations, and TFR avoidance. Click the link below and register TODAY.

Directions: 500 yards North of Exit 6 from Route 6. The CAPA meeting will be in SOUTH BUILDING, room 117. Use parking lot 3. The South Building was recently renamed WILKINS HALL (not to be confused with WILKINS LIBRARY) next door). Complimentary pizza will be served.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
